Work meeting to be called at the digression of the Master

Fraternal Greetings;

Our stated meeting on February 7th was pretty typical as far as stated meetings go. Bro. Marc Schumach returned to lodge and gave his entered apprentice degree exam. A special was scheduled for February 15th, @ 7:00 pm to pass Bro. Schumach to the degree of Fellow Craft.

On February 9th 2012, RWB Jeff Rannebarger, WB Ron Dews and I went to a couple of our brethren homes to present them with their 50 year award. Bro. Pete Scholten was our first stop. After visiting with Pete and his wife (of 68 years-WOW) RWB Jeff Rannebarger presented Bro. Pete Scholten with his 50 year award plaque, which was signed by MWB Kevin Todd, Grand Master of Masons in Ohio. I then presented him with his 50 year pin. After concluding our visit we then traveled to see Bro. Harold Walker. We were received by Bro. Walker, his daughter, son-in-law and his son. RWB Jeff Rannebarger presented Bro. Harold Walker his 50 year plaque signed by our Grand Master. I then presented him his 50 year pin as well. These two brothers have entered an elite group of Masons, "50 year Masons". CONGRATULATIONS to them both! It was a pleasure for the three of us to have spent time with these brethren and their families.

Our pancake breakfast is getting close: February 18, 2012 from 7:30-11:30 am. Please bring your family and friends and come out for

some fellowship.

We have Table Lodge on March 7th 2012, at 6:30 pm. It should be an enjoyable event.

In closing, I would like to thank everyone in lodge for their continuing support. We have had two more petitions this month. Keep up the nice work on our membership. With respect to coming to one meeting this year, if there is a Brother who wants to come to Lodge and needs a ride, please call me at 614-554-4371. We, your Brethren will pick you up and take you home. After all, is that not what Masonry is about?

Respectively Submitted,

WM Steve Miller

From the Turnerettes

Well, here it is February already, and tonight it is starting feel like and look like winter. I much prefer the winter days we have been experiencing all winter to this cold and snowy night. But then I guess we can't complain if we finally experience a few days of "real" winter weather with as beautiful as it has been most of the winter.

The Turnerette's have been asked to prepare and serve the dinner for Inspection Night at Turner on April 10, 2012. Please don't hesitate to offer your assistance. We will need a lot of help on that day. The dinner will be the usual beef and noodles and with Charlie Neff's help I'm sure we will serve a wonderful dinner as usual.

The next Jitney dinner and Turnerette meeting will be held on March 6, 2012. Hostesses for the dinner will be Shirley Conrad and Marie Morgan. Please come out and join us for a nice dinner and the fellowship.

STROKE IDENTIFICATION:

A neurologist says that if he can get to a stroke victim within 3 hours he can totally reverse the effects of a stroke...totally. He said the trick was getting a stroke recognized, diagnosed, and then getting the patient medically cared for within 3 hours, which is tough.

RECOGNIZING A STROKE

Thank God for the sense to remember the '3' steps, STR. Read and

Learn!

Sometimes symptoms of a stroke are difficult to identify. Unfortunately, the lack of awareness spells disaster. The stroke victim may suffer severe brain damage when people nearby fail to recognize the symptoms of a stroke.

Now doctors say a bystander can recognize a stroke by asking three simple questions:

S *Ask the individual to SMILE.

T *Ask the person to TALK and SPEAK A
SIMPLE SENTENCE (Coherently)

(I.e. It is sunny out today.)

R *Ask him or her to RAISE BOTH ARMS.

If he or she has trouble with ANY ONE of these tasks, call emergency number immediately and describe the symptoms to the dispatcher.

New Sign of a Stroke ----- Stick out Your Tongue

NOTE: Another 'sign' of a stroke is this: Ask the person to 'stick' out his tongue. If the tongue is 'crooked', if it goes to one side or the other that is also an indication of a stroke.
