Stated meetings: 1st Tuesday of each month @ 7:30 PM except July and August

Work meeting to be called at the will of the Master

Fraternal Greetings:

Our stated meeting on March 6th went without a hitch. Bro. Robert Croy gave his Master Mason exam. Bro. Mar Schumach gave his fellow craft exam.

Bro. Schumach is now ready to receive his Master Mason degree on inspection night. He is in for a really special night.

We voted on two candidates to receive their degrees, Mr. Rick Schleppe and Mr. John Green Jr. A special was called for March 22, 2012 @ 7:00 P.M. to work both candidates in the entered apprentice degree.

Our pancake breakfast held on February 18th was a success. We served approximately 100 people. I would like to thank all the members who helped with the breakfast and the members that attended.

Table lodge was postponed and will be rescheduled after our inspection. I would like to apologize to the members for this. I was not properly prepared for this event.

Some of our upcoming events are:

" Inspection: I am looking forward to this event; and would like to extend an invite to all Past Masters and Brothers to join us that night.

" Our fish fry will be here before we know it. It will be held April 28th, from 3:00 PM - to 7:00 P.M.

" Ladies night is coming in May. It should be an enjoyable night by all.

Our petitions and attendance for the lodge have been steadily increasing. Great work and thanks to all. If there is a Brother who wants to come to lodge and needs a ride, please call me @ 614-554-4371. We will pick you up and take you home.

In closing, I would like to thank everyone for their continuing support at lodge. May everyone have a great month, and I look forward to seeing you at lodge.

Respectively Submitted,
WM Steve Miller

We will be having our Lodge Inspection Tuesday April 10, 2012. The officers have been working hard, practicing every week and it is showing in their practices. This year we will be inspected in the Master Mason Degree. We will be having our annual Homemade Beef and Noodle dinner at 6:15 p.m and will open lodge at 7:00 p.m. We need a big turnout to show support for our new officers.

Have you seen the new Luther B. Turner website www.lutherbturner732.com . A great job by our Senior Steward Bro. John Rumer who spent a lot of time putting this site together. There is a lot of information on this website and it will be continuously updated with current events. CHECK IT OUT!!!!

It's not too early to be thinking about our 4th Annual Golf Outing. This year it will be held at Homestead Springs Golf Course in Groveport, Ohio. This is our largest fund raiser for our lodge and we need all the golfers we can get. Get your foursomes together. There will be more information about this event in the future newsletters, but put this date on your calendar now. Saturday August 25th at 1:00 p.m. Our goal is to have 30 teams this year. Entry forms will be available on the website, at the lodge, or call me and I will mail you one.

CHECK YOUR BILLFOLD, DO YOU HAVE A 2012 DUES CARD.....IF YOU DON'T CONTACT ME.

Fraternally yours,
Ronald Dews, Secretary

From the Turnerettes

It's March and by the end of the month flowers will start blooming. Of course, that could start happening next week with the height of most spring flowers right now. And if we continue to have daytime temperatures in the upper 50's and low to mid 60's, it is bound to happen earlier than normal.

The Turnerette's have two big events coming up soon that will require lots of help. Please offer your assistance if you are available.

The first event is preparing and serving the food for the reception at the Daughter's of the Nile Installation on March 21, 2012. Those who can help need to arrive around 6:00 PM. The installation starts at 7:30 and the food will be served at the conclusion of the installation.

The second event is Luther B. Turner's inspection on April 10, 2012. The men need us to cook, serve and clean up a dinner of beef and noodles for approximately 100 men. This is always an important evening for the officers of the lodge and we want to do our part to make it a nice evening.

Charlie Neff will be helping with preparing the beef and noodles. Pat Dews will be calling people to sign up to help.

We have a new slate of officers for 2012. They are President - Marie Morgan, Vice President - Shirley Conrad, Secretary - Diane Huff, and Treasurer - Pat Dews. Also, Marie has appointed Betty Ruby - Devotions, Judy Dawson - Sunshine chair, and Mary Neff and Rose White as the calling committee. The officers will be installed at the Spring Dinner at Ann & Tony's Restaurant in West Jefferson on March 27, 2012 at 6:00 PM. Please call either Shirley Conrad or Pat Dews to make a reservation by March 20, 2012.

The next Jitney dinner and Turnerette meeting will be held on April 3, 2012. Hostess for the dinner will be Pat Dews. Please come out and join us for a nice dinner and the fellowship.

This past year, Bill and I have enjoyed getting to know the new people who became a part of the Turner family during the years we were so extremely busy with Aladdin Shrine. It's hard to believe it's been almost a year since I took office as your president. It has been a good year, but it's time to pass the gavel on to someone else. Good luck to the new officers.

From the Craft Club:

This is a reminder that the Luther B Turner inspection is scheduled for Tuesday, April 10th. Due to April 4th falling within Holy week we will have to cancel that practice and hope to find another date for our final rehearsal. We have been progressing with learning the ritual and I wish to thank all of the members who have participated in the practices. We only have 4, possibly 5 practices left so I encourage everyone to make every effort to attend these final practices so we can give the best performance of the Master Mason Degree in the 14th District. All lodge members are encouraged to be present for the inspection to support the members participating in the ritual work. Below is the list of members participating on the craft team. I have added a schedule of practices so we can be ready to put on the best inspection this year. Please make note of the dates and let me know if you cannot attend or participate.
