Work meeting to be called at the direction of the Master

Fraternal Greetings:

Spring is here! I hope everyone has been able to get out and enjoy the beautiful weather.

The officers, past masters and members of the lodge have continued to prepare for our inspection in the Master Mason Degree. All of the preparation and hard work should pay off on April 10, 2012. I will let you know how it goes.

At our stated meeting the Turnerettes presented the lodge with a monetary gift. This gift is going to buy the lodge a new vacuum and help pay for repairs needed on the electric chair lifts. They have also donated money to help repair the gutters on the building. On behalf of the members of the lodge, I would like to thank the Turnerettes for their generosity and continued support.

Our fish fry has been postponed until the fall for a couple reasons. First, we can rent the lodge for that weekend and have a guaranteed income. Second, over the past couple of years support for the fish fry has diminished. I hope a change with the date will help increase support.

Ladies night is approaching. This year we are going to a dinner theater. Ladies night is May 12th. If you are interested, please contact WB Ron Dews or myself.

In closing, I am still asking all members to

submit one petition and I'm inviting all brethren to at least one meeting. If any of the brethren need a ride please call me at 614-554-4371.

Respectively Submitted
Steve Miller WM

From the Secretary

Hope everyone is enjoying the nice weather and the early spring. With the warm weather already here, we are now looking at our "To Do" List at the lodge.

Thanks to the members for their donations and the Turnerettes for their contributions to the Lodge Building Fund. The rental income from the fellowship hall is helping us achieve our goals also. We can now get started on the needed repairs to our building. First on the list is to replace the gutters and down spouts on the building and the repair of

the chair lift on the upper level. These two projects alone will cost approximately \$3,000.

Weather permitting, we will be painting the front of the building, the shed and several rooms inside the lodge.

Worshipful Brother William Estell is heading up a project to build a new sign for the front of the Lodge Building.

With all the work that needs to be done we also have plenty of fun activities planned and dinners for the summer months that will include our families.

From the Turnerettes

Well, the new slate of officers had their installation at Ann & Tony's restaurant Tuesday evening and enjoyed a good dinner, there was a nice crowd. Frances Cotterill was there and received a 50 year pin and was introduced to all the new members.

The next Jitney dinner and Turnerette meeting will be May 1, 2012. Hostesses for the dinner will be Marie Morgan, Ruth Belknap and Shirley Conrad so we hope you will join us for a good dinner and fellowship.

Don't forget Lady's night is coming up and there is something special that is going to happen.
