## From the East

The anticipation of our annual inspection is over. All of our practice and hard work in the Master Mason Degree was presented the night of April 10th.

I would like to report to the brethren that, the officers and craft team had a very good inspection. I would like to take thank all of the Officers, members of the craft team and Past Masters for their support and commitment to this years inspection.

A special thanks to the Turnerettes for preparing the inspection dinner. The beef and noodles were great and enjoyed by all.

It is with a heavy heart that I inform the brethren of the loss of WB Robert E. White.

I have been sitting here at my desk for a while trying to put something to words about WB White. This is one of the most difficult things I have done. How do I write about a man who has been a Mason for almost as long as I have been alive? A man who has many Masonic accomplishments, who has worked side by side with the members to benefit our lodge. How do I write about a man who has been a friend to EVERYONE? I do not have the words but I would like to share with you WB White's favorite part of the Master Mason lecture; The Hour- Glass: is an emblem of human life. Behold! How swiftly

the sands run, and how rapidly our lives are drawing to a close!

We cannot, without astonishment, look upon the little particles contained in the machine. How they pass away almost imperceptibly, and yet to our surprise, in the short space of an hour, they are all exhausted! Thus wastes man! Today he puts forth the tender leaves of hope; tomorrow, blossoms and bears his blushing honors thick upon him. The next day comes a frost, which nips the shoot. And when he thinks his greatness is still aspiring, he falls like autumn leaves to enrich our mother earth.

I feel this expresses volumes about whom WB White was and why this was so meaningful to him.

To me, WB Robert E. White was the man who introduced me to Masonry; he was a mentor and a life long friend.

Respectively Submitted,

Steve Miller WM

From the Secretary

The Luther B Turner golf outing is fast approaching. We still have open spots for sponsors new and renewal. If you want to sponsor a hole for yourself or your business call me at 614-332-2463. Remember,

part of the proceeds from the Golf Outing goes to the Special Olympics.

April was a sad month when we lost W.B Robert E. White who passed away April 23rd. WB White dedicated 41 years of service to Turner Lodge, rarely missing a stated meeting or a lodge function. He was a hard worker, whether it be cutting grass or fixing things at the lodge. W.B. White was a friend, a mentor and teacher to many. He will sorely be missed by all.

Ronald W. Dews, PM, Secretary.
