New Sound System

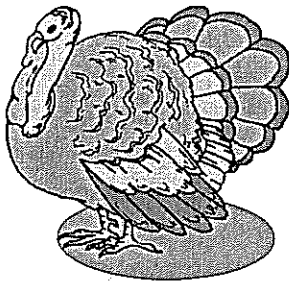

Luther B Turner Lodge has investigated upgrading the public address system in the lodge room. John Rumer and myself were charged with gathering information and pricing for a new system to replace the Radio Shack equipment which is old and very unreliable for use during our stated meetings. There are many members who have a difficult time hearing the ritual work. A new sound system would improve their enjoyment of the proceedings. I contacted Chad Dennewitz who has worked on the sound system located in Aladdin Shrine and received a quote of approximately \$5200 for a new amplifier, mixer, speakers and microphones (both wired and wireless). The system would be expandable to add additional microphones and could support speakers and microphones in the lower level of the lodge as well. It would also allow us to add music for our ritual work by connecting a CD Player and recording items electronically through a computer.

Our budget for the next year is tight and we will have to raise funds to proceed with the purchase and installation. If you would like to contribute to completing this project you may send a check to WB Ron Dews, our secretary marked for the Luther B Turner building fund - Sound System. The address is 2933 Valleyview Drive, P. O. Box 44073, Columbus, Ohio 43204-44073. If you have any questions please contact me, Bruce Schreiber at 614-445-0761,

Happy Thanksgiving

From the Worshipful Master Elect

Hello Brethren,

It is indeed an honor and a privilege to once again be elected Master of Luther B. Turner Lodge. We will be having a very busy Holiday and Christmas season beginning with installation of officers and continuing through the new year with our annual inspection in the Entered Apprentice degree. Installation of officers will be this Saturday, November 17th at 7:00 PM. Take a night and come out and see your new slate of officers for 2012-2013. December 5th will be a degree in the Master Mason. Support your craft team and help out conferring this degree.

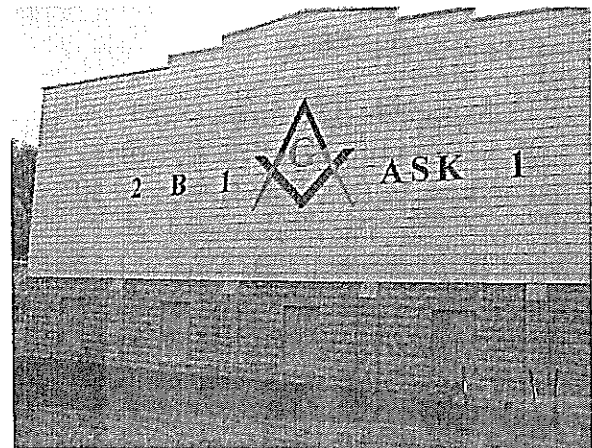

The Lodge Christmas party will be Wednesday December 12th from 6:00 to 8:00 PM and Santa will be there for the youngsters and the oldsters too. Whatever you do this holiday season, make it count. There is a lot of misery out there in the world. Do one thing to alleviate it and you will be blessed.

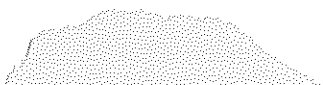

Fraternally Yours
John Cowan
