From the Turnerettes

The year has gone by so fast...I'm sure 2013 will be a great year for everyone.

Thanks to all the ladies that helped with the treats for the 2012 Christmas party, they were all enjoyed by the children and the grown up children (you know who I'm referring to). A big thank you to Kathy Chaffin for the bags of goodies that she put together.

The January 2013 meeting was not very long, there was a short discussion concerning having a social get together rather than having the usual meetings as they have been over the years. It was voted on and the results were to make no changes. Thanks to Marcia Schreiber we will have new and updated rosters and standing rules next month. Thanks also to Carol Estell and Kathy Chaffin for the items that they donated to be used in the kitchen.

Carol Estell and Kathy Chaffin will be on the officer committee for this year, I know they will choose the correct women to serve.

Congratulations to Hazel & Clyde McCann on their anniversary January 12, 2013

Respectfully submitted by Diane Huff, recording secretary

Woman in the Hospital

A woman, called Mount Sinai Hospital and said, "Hello, I'd like to speak with the person who gives the information regarding your patients. I want to know if a patient is getting better, doing as expected, or is getting worse.

The voice on the other end of the line said, "What is the patient's name and room number?"

She said, "Sarah Finkel in Room 302."

He said, "Oh, yes. Mrs. Finkel is doing very well. In fact, she's had two full meals, her blood pressure is fine, her blood work just came back as normal, she's going to be taken off the heart monitor in a couple of hours and if she continues this improvement, Dr. Cohen is going to send her home Tuesday at twelve o' clock."

Dinner @6:15 PM

Inspecting Officer RWB Brian Bolyard

DEO WB Ward Weber

The woman said, "Thank God! Oh! that's fantastic! That's wonderful news!"

The man on the phone said, "From your enthusiasm, I take it you must be a close family member or a very close friend!"

She said, "No,! I'm Sarah Finkel in 302 and my doctor doesn't tell me anything!"

DEATH

While walking along the sidewalk in front of his church, our minister heard the intoning of a prayer that nearly made his collar wilt.

Apparently, his 5-year old son and his playmates found a dead robin. Feeling that proper burial should be performed, they had secured a small box and cotton batting, then dug a hole and made ready for the disposal of the deceased.

The minister's son was chosen to say the appropriate prayers and with sonorous dignity intoned his version of what he thought his father always said: "Glory be unto the Faaather, and unto the Sonnn, and into the hole he gooooes."

God is like...
