**\*In Memory of Dennen M. Leach\***

Dear Brethern,  
 Another new month. We got off to a good start by opening and closing Lodge in the Fellow Craft Degree as practice for the 1 day class and our inspection. We did a good job but do need some practice to refine our ritual as well as to get some of the newer members acclimated to what they will be doing. I have scheduled 3 practices on March 16th, 23rd, and 30th. Please plan on attending especially if you have a speaking role or are involved in the ritual in any way. Four of the candidates we voted on in February will be attending the 1 day class and we need to be prepared to put on a good ritual.

My wife and I visited Brother Bill Bell last Thursday in Westminster Thurber. He is doing well and is in good spirits. He is going through some IV therapy which is why he is in the extended care. He is hopeful that this therapy will help with the infection he has been suffering. He is looking forward to being able to rejoin us in the future.

WB John Cowan had his surgery at the end of February and is recovering at home. He will be laid up for most of this month but is looking forward to getting back to lodge.

We had a former member of LBT return this month - Thomas Hope. He was voted back in to the lodge and welcomed. He was an active member several years ago and had to drop out for a while. We will be looking forward to his

being involved with the lodge as he was in the past. We also had another petition read to be a member of the lodge, a friend of Alan Ermalovich, who will be going through the initiation rituals in the next few months.

Our pancake breakfast is this Saturday and we are hoping for a good turnout. John Rumer has made sure it has been well advertised within the district. Please attend and bring family and friends to enjoy the morning.

I just returned from the Grove City inspection where Luther B Turner received the Traveling Gavel for having the most members in attendance - a total of 9. March 24th is Westgate's inspection and hopefully we will be able to receive it again.

Looking forward to the warmer months ahead and being able to do more outside once again.

 Worshipful Master

### Fun and Fellowship

Our Bowling Ladies - April, Marcia, Paula and Pat invite you to spend the afternoon with us at Grove City Lanes. This winter we meet every Sunday at 4pm

**From the Secretary**

One of our goals this year was to do a better job increasing our membership. I encourage all members to bring in a potential member. We have several events scheduled this year, pancake breakfast, fish fry, open house, spaghetti dinner, golf outing and friendship night. These events would be a great time to bring a potential candidate. The lodge is always open for tours at any of these events. Pamphlets are available for new members.... "What is a Mason, "Facts of Masonry" and "Who are the Masons". All of these events at the lodge are open to the public. We encourage all the members to come and support the lodge. Bring all your family and friends and enjoy the fun.

Golfers....Luther B. Turner 6th Annual Golf Outing is scheduled for June 25th at Homestead Springs Golf Club. Last year we had 80 golfers attend. This is our biggest fund raiser for the lodge. Entry forms and Hole Sponsor Forms are available now. Get in early, cut off is June 1st. Food, Prizes and a great time is guaranteed. For information about the golf outing call Ron Dews 614-878-5264 (H) or 614-332-2463 (C) or Call Rick Schleppe 740-983-2160

**From the Turnerettes:**

One of our members suggested that we become a social club but after a discussion it was decided that after all these years there should be no changes.

The Spring dinner and Installation of officers were discussed and again we will meet at Ann and Tony's restaurant. Pat Dews will call and make reservations for Tuesday, April 15th;

social time will be at 6:00 p.m. and dinner at 6:30 p.m. Installation will follow. Ladies, please pay your \$5.00 dues at this time also if you can. The men's golf outing and pancake dinner were discussed and it was decided that it would be best to serve the men's inspection dinner buffet style which would be easier for the ladies that will be working that evening.

Hazel and Clyde McCann have been married 70 years now, and WOW do they deserve a pat on the back and congratulations.

Donna Judd sent a nice card that Kathy Chaffin read. She is now 89 years young and is doing well, enjoying living with her daughter and family.

After our meeting we enjoyed playing cards.

Respectfully submitted by Diane Huff, recording secretary
