Stated Meetings 1st Tuesday of each month @ 7:30 PM except July and August

Special Meetings to be called at the direction of the Master

Fraternal Greetings,

As noted in the June's newsletter we are going to continue to inform you of happenings in and around

the lodge during the months of July and August. While this will be a short newsletter I hope you will find some useful information on this page.

Our annual golf outing was held at the Split Rock Golf club on June 25th. We had a fair turnout and all who attended had a good time. The dinner was provided by Concrete BBQ and was outstanding. Cash prizes were given out to the top three teams, special prizes were given to the skills winners and door prizes were given to all who attended. At the time of publication we are still calculating the totals but some money was raised for our lodge and some will be donated to Get Behind the Badge. Our thoughts and prayers go out to the friends and families of the fallen Police Officers in Dallas. I'd like to thank the folks at Split Rock for being great host. A big thank you also goes to Bros. Rick Schleppi and Daniel Miller. And a very big thank you goes to Paula Schleppi, Janet May, Sara Ermalovich, Pat Dews and Daniel Miller Jr. for their help. We could not have pulled the day off without them.

We were saddened to learn of the passing of Bro. James Kirby, a 50 year member of Luther B. Turner Lodge. We were honored to hold a masonic service for him on June 17th.

Because of the service we rescheduled the Steak fry to Saturday July 16th @ 6pm and

decided to combine this event with our annual picnic. The facility we are having the event does have a fishing pond so feel free to bring your children and their fishing gear. More information will follow.

As mentioned before our September Stated meeting will be business casual. We will have a homecoming theme for this meeting. If you live outside of Central Ohio and are in town this fall I invite you to come home to the Lodge and be recognized.

We do expect to have a special meeting in September. We need to have a craft team ready to go for degree work. We need every available person to help us out so stay tuned for more info.

Finally, the lodge is looking for line officers to serve in the upcoming year. If you have an interest to do so for the first time or if you've been an officer in the past and would like to step back in line please let me know.

Respectively Submitted,

W.M. John Rumer
