Stated Meetings 1st Tuesday of each month @ 7:30 PM except July and August
Special Meetings to be called at the direction of the Master

Fraternal Greetings,
I hope you're having a great autumn season. Our stated meeting in October was our traditional move up night. The incoming line officers assumed their stations and we had a very good meeting. It's fun to look at the new faces in the line and exciting to see the potential for lodge.

We have a number of upcoming dates these next few weeks. We found it necessary to change the date for our community Halloween party. The new date is October 25 from 6 to 8 PM.

The past masters' and officers' dinner will be held the following night on October 26 at 6:30 PM. All incoming officers, current officers and especially all past masters are invited to attend to hear from our incoming master Steve Miller. He will outline his thoughts for the upcoming year.

Ladies, we owe you dinner. As you recall, we had to reschedule ladies night this past May. Ladies night will be on November 5 at 6 PM.

Our November stated meeting will be the annual meeting. We will be voting on the new officers at that time and receiving reports from our committees. Our new officers will be installed on Sunday, November 19 at 4 PM. We will also have awards that evening for those brothers who have service anniversaries.

Finally, we have a number of the lodge family who are sick and distressed.

Please keep them on your thoughts and prayers.

Respectively Submitted,
W.M. John Rumer

2017 Community Halloween Party

October 25, 2017, 6 – 8 pm

**From the
Secretary**

We have received dues from 61 members as of today's mail. Please try to return your 2018 dues if you have not already sent them.

I am collecting money for the 14th District's One Line Ads. The cost is \$5 per line. The One Line Ads need to be returned to the 14th District Officers after our Annual Meeting in November. I will have the form with me at our Special Meeting and at the November Stated meeting.

The key for the soda machine has been missing for at least a year. It does appear that someone may be filling the soda machine as we have not had any complaints that it is not working. This week I did have one of the Daughters complain that she tried to get a Mountain Dew from the machine and instead received a Root Beer. If you know where a spare key is or have been filling the soda machine please let me know so we can get together and make sure the machine is filled with the correct product or the choices are changed on the buttons.

Have a Safe Halloween.

Fraternally yours,
Bruce Schreiber
